

I wanted to let you know that I have taken over command of 2d Plt, Alpha Co, 1/1. I want to thank you and your Occupational Medicine Physician Assistants friends for all of care and attention that you have shown this platoon and I hope that your support will continue as we work towards another deployment. The platoon is in a state of flux right now as guys depart for other assignments and new guys like myself come in. I will pass on a list of needed items as soon as things begin to settle down a little bit.
